Dear Professor,

I would like to discuss my project proposal with you before the submission deadline. I would appreciate the opportunity to receive your feedback and clarify any questions I have regarding the proposal.

I am available at the following times:

- Monday: 3:00 PM – 3:30 PM
- Tuesday: 11:00 AM – 11:30 AM
- Wednesday: 2:00 PM – 2:30 PM

Please let me know which of these time slots would be convenient for you. If none of them work, I would be happy to adjust to another suitable time.

Thank you for your time and consideration.

Kind regards,
D. Dharani
